

Human Factors in Traffic Crash Reconstruction

with Dr. Jeffrey Muttart

With more than 20 years of experience, Dr. Jeffrey Muttart's work has survived intense scrutiny during depositions, discussions and trials. Dr. Muttart has been recognized as an "Expert Witness" in Superior Courts in several states. This is primarily because Dr. Muttart believes (as does the U.S. Supreme Court in its rulings) that his opinions should be obtained using accepted scientific methods. To achieve this, he conducts independent research and obtains additional training on a yearly basis. In addition to a Ph.D. in Industrial Engineering and Operations Research from the University of Massachusetts and a Master's Degree in Experimental Psychology from the University of Hartford and many honors, awards, and professional society memberships, Dr. Muttart has authored 45 technical book chapters and scientific studies on traffic safety topics and has given more than 110 professional addresses throughout the world and seminars.

Do not miss the opportunity to learn about Human Factors in Traffic Crash Reconstruction from one of the foremost experts on the subject.
